

Scotland's
National Nature
Reserves
Magical places, amazing wildlife.

Dragons & Damselflies of Moss & Loch

Saturday 26th July, 10am – 4pm

Meeting at the Loch Leven NNR reserve office,
the Pier, Kinross

Join British Dragonfly Society's Conservation Officer for Scotland, Daniele Muir, and SNH reserve staff for a closer look at the local dragonflies of moss and loch.

A short indoors session will cover species ecology, identification and recording. This will be followed by outdoors sessions observing these fantastic insects at Loch Leven NNR (morning) and Portmoak Moss (in the afternoon) and trying out your new ID skills in the field!

Please bring a packed lunch & hot drink, wellies/ walking boots and waterproofs. Total walking about 3 miles, with some difficult terrain close to ponds and ditches.

Free Event

(Donations to BDS and
Woodland Trust Scotland are welcome)

Please call 01577 864439 to book your place
